

Date of CV Preparation

December, 2009

Personal Data

Name: Peter Muennig

Birthplace: Joplin, MO

Citizenship: United States

Education

University of California, Santa Barbara, Bachelor of Science, 1989

University of California, San Diego, Medical Doctor, 1989-1994

Columbia University, Masters in Public Health, 1998

Traineeship

New York City Department of Health/Columbia University Residency Program in Preventive
Medicine, Preventive Medicine, 1998

Licensure

New York State #203682

Board Qualification

Preventive Medicine, 2000

Professional Organizations and Societies

A. Past Significant Memberships

Association of American Indian Physicians

Physicians for a National Health Program

Physicians for Social Responsibility

Health Access

Neighbor to Neighbor

American College of Preventive Medicine

B. Present Memberships

American Public Health Association 1996-Present

Transportation Alternatives 2006-Present

Society for Medical Decision Making 1999-Present

Academic Appointments

New School University, Director of the Program in Cost-Effectiveness and Outcomes, 1999-2002

City University of New York School of Medicine, Assistant Professor, 1999-2004

Health Policy & Management, Mailman School of Public Health, Columbia University, Assistant
Professor, 2004-Present

Global Health Track, Mailman School of Public Health, Columbia University, Faculty, 2005-Present
Institute for Social and Economic Research and Policy (ISERP), Columbia University, Faculty, 2007-
Present

Center for the Study of Social Inequalities and Health, Mailman School of Public Health, Affiliated
Faculty, 2008-Present

Honors

A. Awards, Fellowships, and Scholarships

Association of American Indian Physicians Scholarship, 1985
 CIBA-GEIGY Award, 1990
 Malvin Williams Memorial Scholarship, 1991
 Weiss Scholarship, 1991
 Educational Opportunity Program/Student Affirmative Action, 1991
 American Academy of Family Practice Scholarship, 1993
 Kellogg/National Medical Fellowship, 1993
 Hispanic Center of Excellence Traineeship, 1993
 American Academy of Family Practice, 1994
 Associate Fellow, New York Academy of Medicine, 1999-2004
 Calderone Junior Faculty Award, 2004
 Outstanding Student Evaluations (Davidson and Lapp), Mailman School of Public Health,
 Columbia University, 2004-2009 (Twelve appearances, one for every class taught.)
 Nominated for Award for Teaching Excellence, 2006
 Columbia University Minority Research Fellowship, 2007
 Academy of Distinguished Teachers, 2008
 ASPH/Pfizer Early Career in Public Health Teaching Award, 2008

B. Invited Lectures (Partial List)

American Society of Microbiologists, 1999	Mills College, 2008
Cornell University, 1999	World Bank, 2008
United Hospital Fund, 2000	University of Miami, 2009
Henry Luce Foundation, 2001	University of Alabama, 2009
Campaign for Educational Equity, 2005	Mount Sinai School of Medicine, 2009
Federal Reserve, New York, 2007	New York State Insurance Commission, 2009
Cornell University, 2007	

Fellowship and Grant Support

R01CA072908-02S1	(Fahs, Mandelblatt)	1/1/2000- 12/31/2001	12 calendar
\$143,460 Cost-Effectiveness of Screening Mammography in African-American Women. National Cancer Institute. Minority research supplement.			
Martín-Baró Fund	(Muennig, Su)	1/1/2002- 12/31/2008	0.0 calendar
Alleviating socio-economic disparities via a comprehensive integrated educational intervention targeted toward Shan Refugees in Thailand. 2002-2005.			
J. Calderone Jr. Faculty Award	(Muennig)	12/1/2004- 12/31/2005	0.0 calendar
\$5,000 Functional neuroanatomy of perceived socio-economic position.			
Connaught Funding Program	(Khan)	7/1/2005- 6/31/2007	0.0 calendar
\$30,000 Measuring population immunity to vaccine preventable diseases of childhood among foreign born adults, University of Toronto.			
Leeds Foundation	(Levin)	7/1/2005-	6.0

		6/31/2006	calendar
\$45,000			
Health returns to educational interventions			
Sparkplug Foundation	(Muennig , Su)	1/1/2006- 12/31/2006	0.0 calendar
\$3,733			
Alleviating socio-economic disparities via a comprehensive integrated educational intervention targeted toward Shan Refugees in Thailand.			
GCRC	(Silverman)	9/1/2005- 8/31/2007	0.0 calendar
\$17,000			
A neuroimaging study examining neural circuits involved in the stress response gradient by social class.			
Columbia University Minority Research Fellowship	(Muennig)	4/1/2007- 3/27/2008	0.0 calendar
\$10,600			
Serological stress mediator profile among two stressful professions with differing occupational status.			
William T Grant Foundation	(Muennig)	7/1/2007- 6/31/2008	3.0 calendar
\$25,000			
The cost-effectiveness of small class size.			
Harlem Children's Zone	(Muennig)	7/1/2007- 6/31/2008	1.8 calendar
\$18,900			
The costs and benefits of Harlem Children's Zone programs.			
Robert Wood Johnson Foundation	(Muennig)	12/1/2007- 11/30/2008	0.0
\$16,800			
Linking National Death Index Records to the General Social Survey.			
Mac Arthur Foundation	(Muennig)	4/1/2008- 3/30/2009	0.0 calendar
\$30,000			
Linking National Death Index Records to the General Social Survey.			
Office of the Public Advocate, NJ	(Muennig)	7/1/2008- 6/31/2009	2.4 calendar
\$22,900			
Present Day Estimates of the Social Costs of Childhood Lead Poisoning			
UCSF	(Muennig)	01/1/08- 12/31/09	0.0 calendar
\$30,000			
Proposal to Link the General Social Survey and National Death Index			
RFMH	(Glied)	02/1/08- 01/31/10	1.8 calendar

\$57,545

HIV Center for Clinical and Behavioral Research

WT Grant	(Muennig)	01/01/10 12/31/11	2.40 calendar
----------	-----------	----------------------	------------------

\$201,622
Small Class Sizes and Health: Causality, Mechanisms, and Lessons for Policy

RC2 OD-09-004	(Muennig)	09/30/09- 09/29/11	6.0 calendar
---------------	-----------	-----------------------	-----------------

\$1,184,419
A Dataset for the Study of the Social Determinants of Health

Departmental and University Committees

Institutional Review Board, CUNY Medical School, 2002-2004
Curriculum Committee, CUNY Medical School, 2002-2004
Epidemiology Search Committee, CUNY Medical School, 2004
Health Policy and Management Admissions Committee, 2004-Present
Global Health Track Committee, Columbia University, 2005-Present
Global Health Task Force, Columbia University, 2008
Grants and Funding Task Force, Columbia University, 2008
Systems Theory Committee, 2009

Teaching Experience and Responsibilities

Visiting Professor, New School University, 1998-2002
Community Health/Epidemiology
Cost-Effectiveness Analysis
Decision Analysis
Lecturer, Cornell University, 1999
Methods in Health Services Research
Assistant Professor, CUNY Medical School, 2002-2004
Prevention in the US Health System
Biostatistics and Epidemiology
Assistant Professor, Columbia University, 2004-Present
Health Policy in the Global Context
Cost-Benefit Analysis
Health Policy and Health Disparities
Introduction to Global Health (one of multiple instructors)

Other Professional Activities

A. Community service

Medical Volunteer Services Co-coordinator, Flying Doctors Clinic, Colonet, Mexico, 1990-1993
Medical Volunteer Services Coordinator, Migrant Health Worker's Clinic, San Diego 1990-1993
Founder, Healthcare Policy Research Centers' Community Service Award, New School University
Founder and Director
Burmese Refugee Project, Thailand (www.burmeserefugeeproject.org), 2000-Present
Program in Cost-Effectiveness and Outcomes (www.pceo.org), 2000-Present
Education and Health Working Group (<http://groups.google.com/group/educationandhealth>)
Participant
Capabilities Theory Working Group, Columbia University, 2006-2008.

Peer Reviewer

National Institutes of Health (ROI), 2003
Over 100 articles reviewed. Journals include JAMA, AJPH, SSM.

B. Student Advisor and Advocate

Ph.D. Advisor

Tae Kim (Public Health, Health Policy and Management), 2006
Zohn Rosen (Cognitive Science, Brooklyn College), 2008
Alberto Caban-Martinez (Epidemiology, University of Miami), 2009

M.P.H. Advisor

Daniel Eiras (Public Health, Epidemiology)

Faculty Advisor

Students for Responsible Globalization (New School University), 2000
Global Health Forum (Columbia University), 2004-Present

C. Consultancies

University of Santiago, Chile. Assisted in the development of a Social Medicine Residency Program. 1996.

Centers for Disease Control and Prevention. Developed a study on the cost-effectiveness of screening recommendations for immigrants to the United States. 1998-1999.

Health Canada. Examined the cost-effectiveness of screening recommendations for immigrants. 1999.

New York City Department of Health Refugee Health Program. Developed a screening protocol for refugees to New York City. 2000.

Brigham and Womens Hospital, Harvard University. Mentored faculty on the design of a Markov model. 2004.

Robin Hood Foundation. Muennig P, Glied S. Estimated the health benefits produced by Robin Hood Foundation grant recipients. 2005.

Agency for Health Research and Quality. Participated in a working group on public perceptions of cost-effectiveness analysis. 2004-2005.

Healing the Divide, Richard Gere Foundation. Conducted a program evaluation for a non-governmental organization providing insurance for Tibetans living in India. 2005.

D. Other

Senior Researcher, Global Political Economy Research Unit, 2005

Organizer, Frontiers in Public Health Policy in Developing Nations conference. Columbia University, 2006.

Languages

Fluent: English, Spanish

Navigational: Mandarin Chinese (spoken only), Thai (written, spoken)

Selected Media Appearances

Levin H., Holmes N. America's learning deficit. *New York Times*. 11/7/05.

Kleinfield, N.R. Diabetes and its awful toll quietly emerge as a crisis. *New York Times*. 1/9/06.

Obesity weighs more heavily on women's health. CNN.com. 7/28/06.

Spiesel, S. Could smaller elementary school classes make kids healthier? *Slate*. 10/16/07.

Robledo, S.J. Cachment-22. *New York Magazine*. 11/25/07.

Engber, D. Abolish the fat tax! It's time to shut up about "the cost of obesity." *Slate*. 2/14/08.

Bakalar, N. Perceptions: watch your weight, sure, but don't worry about it. *New York Times*. 3/4/08.

CNN. Norway's Health System. 8/25/09.

Engber, D. Glutton intolerance. *Slate*. 10/5/09.

National Public Radio. One Dollar in Ten. 08/27/09.

Engber, D. Give me your tired, your poor, your big fat asses. *Slate*. 9/28/2009.

My work has been shown/discussed on CNN, MSNBC, NPR, and CBS, and written in the *New York Times*, *New York Magazine*, *USA Today*, *The San Diego Tribune*, *Reuters.com*, *CNN.com*, and multiple international sources including *The Guardian*.

Publications

A. Original Peer-Reviewed Research

(Over 400 Scholar citations; 160 ISI citations; All but 6 journals with an impact factor >2)

1. **Muennig P**, Pallin D, Sell R, Chan, MS. The cost effectiveness of strategies for the treatment of intestinal parasites in immigrants. *New England Journal of Medicine*. 1999;340:773-9.

Note: This study led to changes in screening practices in California, Wisconsin, and in Canada as a whole. The work was discussed in multiple media outlets.

2. Pallin D, **Muennig P**. Intestinal parasites in immigrants. *New England Journal of Medicine* 1999;341(5):377-378.
